Program Outcomes:

The college is affiliated to Swami Ramanand Teerth Marathwada University, Nanded and follows the Programmes that the University has designed. Each Programme has specific objectives and the over-all design of the course ensures a certain set of skills and competence that the students graduating from the institution should gain at the end of the program. Some of the key attainments that are expected from students are knowledge, skill development, good communication skills, creative thinking, discipline, inculcation of moral and ethical values, ability to work in teams, and critical thinking. The Programmes are designed in such a manner that the students learn the importance on co-operative living and the feeling of togetherness.

The course outcomes are prefaced to each syllabus and shared with students and faculty. All the courses/programs offered by the institution emphasize on academic quality. In general, the course outcomes of the institution focus on empowering the student for higher studies, research, employment/entrepreneurship and preparedness for competitive examinations.
